Student Debt: The Institutional Perspective

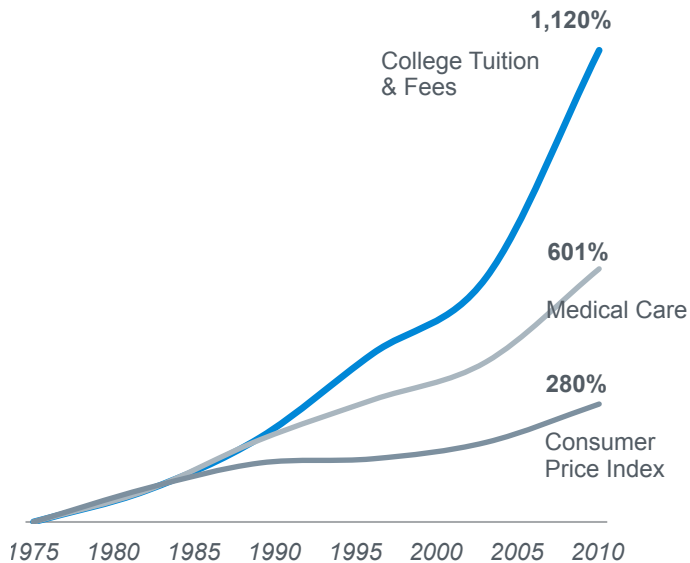

David Attis
Senior Director of Academic Research

How High Can It Go?

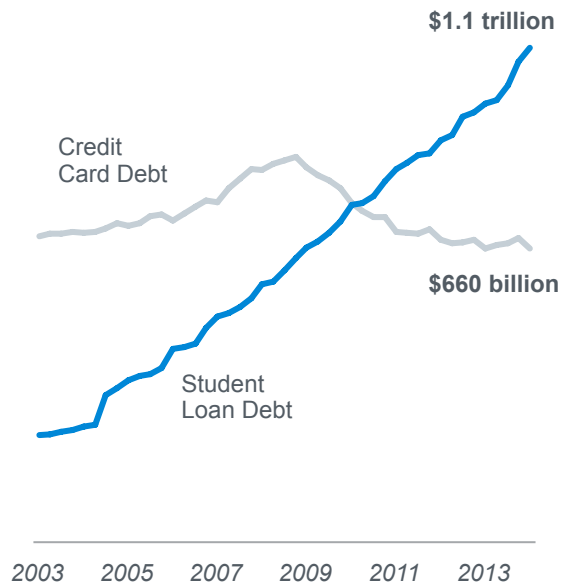

Public Fixated on List Price Tuition and Total Debt

Even Faster Than Health Care!

Even Larger Than Credit Card Debt!

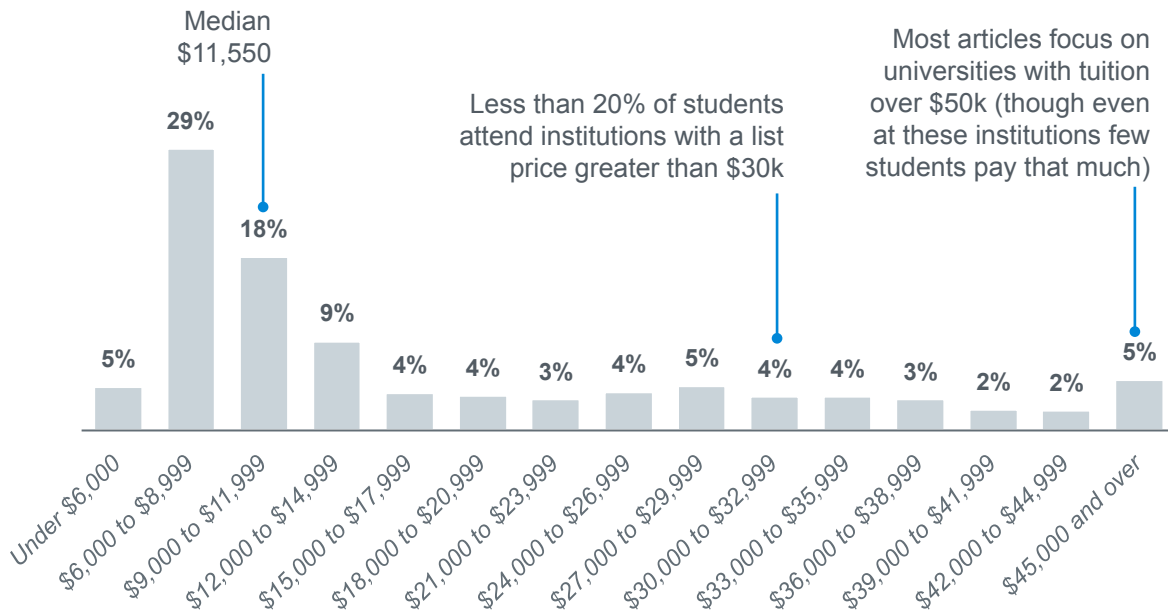

Putting Tuition in Perspective

Most Students Attend Affordable Institutions

Distribution of Full Time Undergraduates at Public and Private Non-Profit Four-Year Institutions by Published Tuition and Fees, 2014-15

Outliers

Press Focuses on Small Number of Students with Large Debt

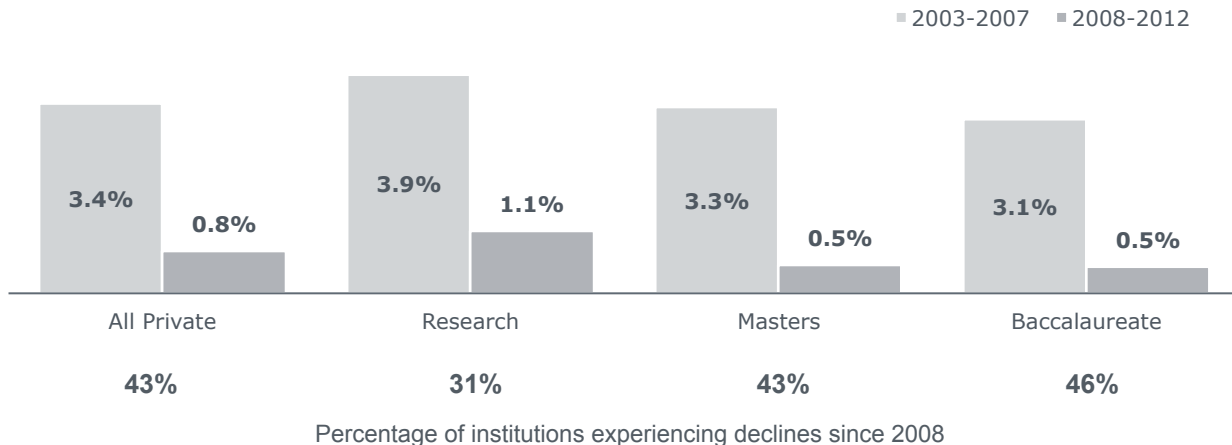

Distribution of Student Debt, Actual vs. Anecdotal Reporting

Private University Tuition Growth Slows

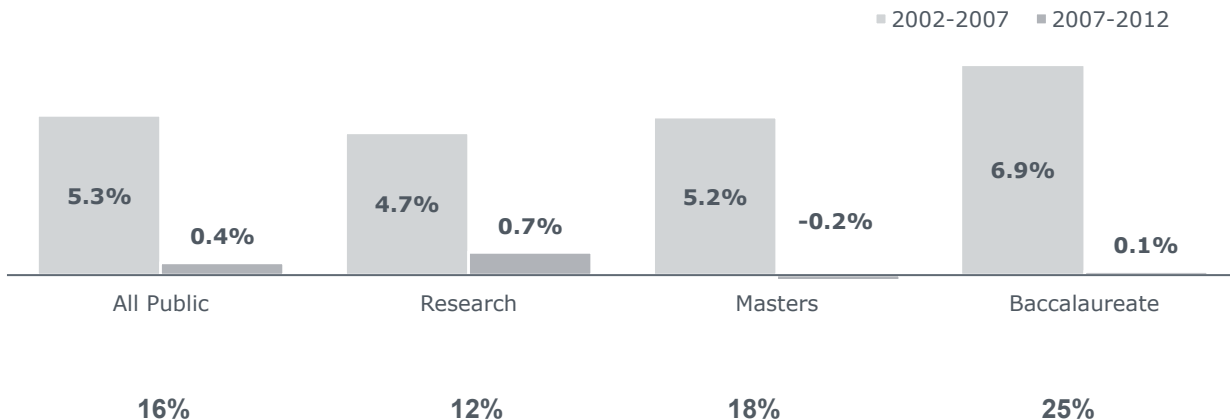

Average Annual Change in Real Net Tuition Revenue Per Student

Slowing Revenue Growth at Public Universities

Average Annual Change in Real Tuition, Fees, and State Support per Student

Percentage of institutions experiencing declines since 2008
